

# PREVUE APS

Applicant Tracking System

## Automate Your Hiring Process

Streamline your recruitment with Prevue's APS. This applicant tracking system (ATS) is an all-in-one solution for your organization to effortlessly attract, screen, and hire the most qualified talent. Simplify your life and optimize your hiring process with ease.

### What does Prevue's APS look like?

#### Automated Screening

Set up unique screening questions and auto-disqualify applicants. This allows you to focus on a qualified talent pool and reach the best candidates faster.

#### Easy to Manage

Keep track of job applicants, resumes, and assessments with ease. The system allows you to view all the information in one organized location.

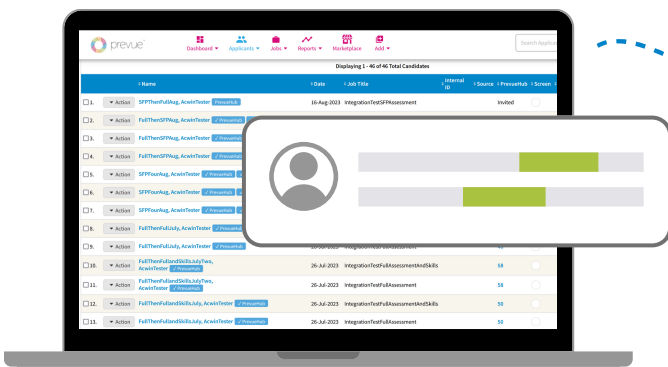

#### Effective Collaboration

Collaborate with your team seamlessly. Leave interview notes, update statuses, and easily communicate with others to ensure your team is on the same page.

#### Post Jobs Everywhere

Quick and easy! With the click of a button your posting is published to thousands of job boards, social media platforms, and referral channels.

#### Integrated with Prevue Assessments

Narrow down the best fit with Prevue's fully integrated pre-employment assessments. Easily send tests to candidates, view their job suitability score, and seamlessly download results - all in one place!
